## CASE OF THE First Nations WOMAN!

He first spotted her at a round dance  
And she was the most beautiful thing he ever seen

But it was only for a split second  
And the next thing you know she was gone

Months went by and he couldn't stop thinking of her  
Years passed on and he wouldn't settle for anyone else

He remembered her beautiful long black hair and brown eyes  
Her smile that made angels and doves cry...

Okay that was just cheesy! Like when have you ever seen a  
dove cry?  
I'm the worst at writing poetry

So when all else fails...

Roses are Red, Violets are Blue  
I like me an Indian woman

Who will fight a chick or two  
Who will help me through thick n thin  
Who will never get under my skin

Who will be easy on me when it comes to alimony  
Who will fight my ex's when they come around  
Who will make my favorite bannock when I'm feeling down

I like me an Indian Woman...

Who will wear buckskin lingerie in the bedroom  
Who will show those other fancy dancers how to get down  
Who will not snag when I'm not around

Who won't throw my clothes out when we fight  
Who won't delete me as her facebook friend  
Who won't take a fight to the bitter end

I like me an Indian woman  
Because she can also be my best friend!

HAPPY VALENTINES EVERYBODY!
